STEP 1

Account Setup

Create and configure your Google Ads account

[IMAGE PLACEHOLDER]

Screenshot: Google Ads account creation screen

What You'll Do

- Visit **ads.google.com** and click 'Start Now'
- Sign in with your firm's Google account
- Enter billing information and payment method
- Set your account timezone and currency
- Verify your business information

■ **Pro Tip:** Set timezone to match your firm's location. This cannot be changed later!

Your Launch Checklist

■	Account Setup	Google Ads account created
■	Conversion Tracking	Tracking installed and tested
■	Campaign Structure	Campaigns organized
■	Keyword Research	Keywords researched
■	Ad Creation	Ads written
■	Landing Pages	Pages optimized
■	Budget Set	Budget and bidding ready
■	Launch	Campaigns activated
